

**DEPARTMENT OF COMPUTER SCIENCE(COMPSSA)
HO TECHNICAL UNIVERSITY.**

(MAKAE THERESA AKOSUA) AND (YEVUYIBOR KELVIN ETSE) ASPIRANTS,
COMPSSA

PRESIDENT AND VICE PRESIDENT

A MANIFESTO TO BE DELIVERED BY (MAKAE THERESA AKOSUA)

Mr. Chairman, Head of Computer Science department, good Lecturers of the Department, Current COMPSSA Executives, Colleague Aspirants, and Fellow COMPSSA Members of this honored Institution-Ho Technical University, all Protocols duly observed, Ladies and Gentlemen. Good day.

We stand at a pivotal moment in the history of our great department, a time to elect a capable and goal-oriented Leaders who will champion the course and the interest of students in our noble institution. It is in interest of this I (Makae Theresa Akosua) and (Yevuyibor Kelvin Etse) present ourselves as the best option candidate to replace our persistent outgoing Executives for the position of the COMPSSA President and Vice President respectively.

Technology continues to reshape our world, and its impact on society grows exponentially. As we embark on this journey, I present my manifesto, a vision for embracing the future of computer science department and harnessing its power to create a brighter and more inclusive future for the betterment of humanity.

MISSION

To guarantee the academic interest of the students and ensuring that the department is acting in a way that promotes the interests of the people of COMPSSA.

VISION

To help develop career individual in the department through information communication skills and practical training in other to fit into the society and Job market to raise the name of Technology above expectations.

POLICIES

- Procurement of Departmental Souvenir Items.
- Procurement of mini-Photocopier Machine for the Association in order to reduce cost 50% cost of printing a document outside for students.
- Procurement of Football Jerseys and other Sporting activities items in aid for the department to well represent in any sporting activities organized in the department and on campus as well.
- Introduction of HODFUND, this fund would aid in helping to pay at least 20% School fee for the needy but brilliant students in the department when the need arises.
- To work with the departmental leadership to ensure that all PCs and sockets are working properly at the main octagon, to benefit students that are not having their own PCs to partake in practical works during lectures.
- Organizing of Educational trips and Computer skills competitions and training programs for students in the department.
- Partner with the leadership to help provide more learning materials such as projectors and board tip pens to facilitate good learning in various lecture halls outside the department.
- Increase the students' participation in extracurricular activities, that is to create more fundraising events for students in the department
- To implement good sanitation in the COMPSSA convert and comfortable lecture halls.
- Restructuring and fencing of the COMPSSA garden and providing more lovers bench for Students to relax and refresh their brains during their leisure time or group meetings

CONCLUSION

Mr. Chairman, this manifesto is a call to action. With God and the students' voices behind us, we can implement these policies.

So, we urge, advise and plead with every student of COMPSSA to play their part to help bring these dreams into reality, by voting (Makae Theresa Akosua) and (Yevuyibor Kelvin Etse) as the President and Vice President respectively.

Let us embark on this journey together, united in our passion for computer science and the transformative power it holds, empower individuals, drive innovation and create a future where computer science serves as a catalyst for positive change, progress and inclusivity.

May God continues to bless us richly. And make Computer Science Department, Ho Technical University (HTU), Ghana National Union of Technical Students (GNUTS) and Ghana great and strong.

Thank you
